tension: the dialectics of community and market by Stephen Gudeman. At the LSE, where I work, there are so many economists that it is difficult to count them, much less keep track of what they are up to. Many are based in the economics department, of course, but others are found elsewhere around the school—such as finance and social policy, not to mention FMG, Sticed and SERC.

Economic Persuasions (ebook, 2009) / WorldCat Economic persuasions. [Stephen F. Gudeman] -- As the transition from socialism to a market economy gathered speed in the early 1990s, many people proclaimed the final success of capitalism as a practice and neoliberal economics as its

The Persuasion Economy / John Mccone: Philosophy for the persuasion + overpriced products = profit Facebook and Google lead the attention economy—by a mile. Of their 25 largest competitors (not counting Chinese ones which don't compete) all their revenues put together (except Amazon) are only 84% of what these two search and social giants make—and though Amazon has huge revenues, its
